

## **Shopper Loyalty Program**

Record your purchases here. After you collect 10 **Shopper Loyalty Points**, send them to Sandi Phelan to redeem your free Stampin' Up! product. How fun and easy! Sounds like a win-win!

Here's the fine print:

- 2. Receive **one Shopper Loyalty Point** for every **\$40** of Stampin' 'Up product purchased. This excludes shipping, sales tax, and any payments towards Hostess Rewards or Stampin' Rewards.
- 3. When you have **10 Points**, then contact me with details (i.e. the completed form below) and specify the product you want to redeem for free, up to \$40 retail value. Once I confirm your purchases, I'll ship the free item to you.
- 4. It's your responsibility to track your purchases and Points.
- 5. One customer per sheet.
- 6. Orders cannot be combined. So, an order for \$39.99 does not qualify for any Points. But, an order for \$80.05 earns 2 Points.
